No. of Years: Some of a person's volunteer positions above overlapped during the same year.

* No. of Unique Years only counts an overlapping year once.

** No. of Years in Each Position counts all years in each position whether overlapping or not.

Leadership Roles: I chose to limit my data to positions of leadership as it would be impossible to find all volunteers. So for example, I only include Committee Chairs rather than all committee members.

List of Positions Included:

Unpaid Staff Positions	Club Reg. Coord. (RC)
Nat'l. Div. Directors	College Reg. Coord. (RC)
Committee Chairs	Youth Reg. Directors (RD)
Board of Directors (BoD)	Coordinating Committee (CC)

Positions: There are hundreds of people who have volunteered their time over many years not included here.

Non-Counted Positions not counted include Club and College SCs, non-chair committee members, etc.
